

**CAMP SUNSHINE DREAMS**  
**Counselor-in-Training Agreement**

I understand that the Counselor-in-Training position for Camp Sunshine Dreams is strictly voluntary, and that no remuneration will be forthcoming for services rendered. I understand, however, that room and board will be provided during the camp session.

I understand that the example I set as a camp Counselor-in-Training must be of utmost quality, and exemplify the highest standard of leadership. I understand, and agree to comply with the Camp standards for dress and grooming.

I understand that I must demonstrate exemplary ethical and moral standards, ensuring that every camper will be treated as a human being who is entitled to the best of care and services I can offer; and that each camper's rights to personal dignity, privacy and safety (both physically and emotionally) are protected.

I understand that every camper has a legal right to expect that the confidentiality of their medical information will be preserved.

I understand that the Camp Director has the right and responsibility to cancel this agreement and to dismiss any Counselor-in-Training who for any reason fails to honor this agreement, or to perform his/her responsibilities satisfactorily.

I understand and agree to comply with the conditions set forth in this agreement.
